Dear Frances:

Now that the year 2011 is about to end so is the celebration of the 75th Anniversary at Colonial Country Club. Without questions one of the major contributing factors of this historic year was the book titled *Colonial Country Club Diamond Jubilee Celebration – 75 Years*, which you authored. I want to congratulate you on the magnificent job you did on turning out this historical story of the club over these many years since Mr. Marvin Leonard opened the Colonial Club in 1936.

For me it was a pleasure to be able to work with you and to see a book of this significance become the 215-page work of art it is. I was amazed at the dedication, research, hours of work, and love shown in the finished product. The book is now a point of reference that may be relied on by future members and Boards in the years ahead. Many compliments on the book have been passed along to me and I want you to be aware of that.

It was also a pleasure for me to receive interest from every member of the Historical Preservation Committee who gave their support to you in meetings, input, and follow up to help with the book.

At the end of the day it was a distinct pleasure to become good friends with two wonderful people in you and John.

Yours very truly,

A handwritten signature in cursive script that reads "Ben".
